35 km ride

Ride starts on Ocean View road, at Radjhani's restaurant (close to the Terrigal Dr roundabout), cycle up Ocean View Rd towards Wamberal (a few hills along the way). At the top, cross the road at the roundabout and cycle along the shared path down to Tumbi rd roundabout, where you cross The Entrance Rd to end up on Tumbi Rd.

Follow Tumbi Rd to Mingara - an undulating road with a mostly ok shoulder. Turn left onto Wyong Rd & then turn right at the big roundabout (with servo & Mingara Leisure centre on your left) to end up on Tumbi Creek Rd. Follow the road to Gregory St, where you turn right. Then turn left into Lakedge Ave, which will take you to the bike path running alongside the lake. Follow the path til the end, where you end up back on Lakedge Ave (turn right), then continue along onto Aloha and to the park at Kalua where you turn around & go back the same way.

Continue along bike path following all the way to Long Jetty where you swing out onto the Entrance Rd (turn right) & continue back to Ocean View Rd and the finish. (Coffee at the iBar may is a nice way to finish this ride).
