

WISEMANS FERRY RD - WEST GOSFORD LOOP

30 km loop

Start in Kariong & take the hwy to get to Wisemans ferry Rd. Follow this road all the way up to Dog Trap Rd, where you take a left & cruise along a small country road until you get to the bridge across the F3. Turn right to cross the bridge & follow Mangrove Rd down into Narara (quite steep!). Turn left onto Narara Valley Dr & continue straight through the roundabout onto Manns Rd. Almost at the end of Manns Rd; turn right into Dyer Cr (avoiding the big intersection), & cross the road at the end to ride up Kariong hill where you complete the ride :)
